Samskritam As a Foreign Language (SAFL)

SAFL2019-2020 Academic Year
Frequently Asked Questions - FAQ

A. General Program Info

A1) What is SAFL?

Samskritam As a Foreign Language (SAFL) is a three-year online program for high school students who wish to learn Samskritam (aka Sanskrit). The three-year program has three levels: SAMS100 (Beginner level), SAMS200 (Intermediate level), and SAMS300 (Advanced level). Students may enroll in the SAMS100 level courses without any prior knowledge of the language.

SAFL Program consists of three years of two semesters each. Admission (or progression) to each subsequent semester or academic year requires completion of each semester or residential camp during the summer before the start of the academic year respectively. Please see below.

a) Level 1 Residential Camp (SAMS 099) required for admission to first year SAFL (100 level courses, SAMS 101 and SAMS 102). SAMS101 should be completed successfully to progress in to SAMS102.

b) Level 2 Residential Camp (SAMS 103) required for admission to second year SAFL (200 level courses, SAMS 201 and SAMS 202). SAMS201 should be completed successfully to progress in to SAMS202.

c) Level 3 Residential Camp (SAMS 203) required for admission to third year SAFL (300 level course, SAMS 301 and SAMS 302). SAMS301 should be completed successfully to progress in to SAMS302.

d) Level 4 Residential Camp (SAMS 303) is considered as Honors Program and is optional. Please note that an aggregate of 75% in 301 Final and 302 Midterm combined is necessary to attend this camp conditional upon passing 302.

A2) Why SAFL?

SAFL is a great way to introduce high school students to the rich language of Samskritam. With permission from their schools, students can pursue this course and obtain school credits. SAFL is designed solely for high school students and thus tailors
to their specific learning needs. Through multimedia, online materials, instruction and residential camps, opportunities are provided for students to interact in Samskritam. Upon completion of the SAFL program, students are prepared for further study at the university level.

**A3) Who is eligible to participate in this program?**

Students who will be enrolled in eighth to twelfth grades at the start of the 2019 academic school year are eligible.

**A4) When did SAFL start?**

SAFL started in September 2009. SAFL will enter its eleventh consecutive year in September 2019.

**B. Registration Details**

**B1) If a student is interested, how does s/he register?**

Registration is online at safl.samskritabharatiusa.org. Students must submit the registration form online and pay the fees in order to complete the registration process. Students receive a confirmation email with course information once they have completed registration. Registration is open only once a year. Students must begin their studies in the fall and are required to register for the whole academic year.

**B2) Is there an application process?**

There is no special application process for admission into the SAFL program. Only online registration is required. For some courses, pre-requisites may be required, in which case the pre-requisites must be fulfilled before the start of the course.

We advise potential students to discuss about the SAFL course with their school counselors in advance if they would like to get independent study or elective credits, or use this program to satisfy a part of their foreign language requirement, or have SAFL credits reflected in their high school transcripts. Please contact us for more information (safl@samskritabharatiusa.org).
B3) Are there any fees?

Yes, there is an annual fee for the course (two semesters). It is $750/- for the full academic year 2019-2020. The fee is to be paid in full at the time of registration. This covers course fees, online materials, books and exams. Please note that this does not cover any fees for the residential immersion programs (see question C12). Registration and fees for the residential camps are handled along with SAFL registration. If registration is completed by April 30, 2019, then students will receive a $50 discount towards SAFL registration. Please note that there is a separate non-refundable fee of $200/- for SAMS099/SAMS103/SAMS203 course waiver or SAMS200 Direct Entry Exam.

B4) Can I withdraw from the course and get a refund?

Yes. If the withdrawal for SAFL classes is done on or before June 15, 2019, then the refund would be 100% of the fees minus $50/-. If the withdrawal is done after June 15, 2019 but before or during the first week of classes, there is a 100% refund of the fees minus $100/-. For those who withdraw from SAFL in the second week of classes, there is a 75% refund. For those who withdraw in the third week of classes, there is a 50% refund. If the withdrawal is made in the fourth week, the refund is 25%. All withdrawals made after the fourth week are not eligible for any refund.

B5) Are there any registration requirements?

Yes. The general requirements are:

- The student must pay the fee at the time of registration.

In addition, requirements exist for each level of classes. The registration requirements are as follows:

For students entering SAMS101 in Fall 2019: Students must complete SAMS099 before the start of classes for SAMS101. SAMS099 involves attending one of the week-long residential immersion camps (see question C12). In the case that a student cannot attend a residential camp, continuing students may apply for a waiver. New SAFL students who wish to skip SAMS101 and SAMS102 may take SAMS200 Direct Entry Exam (see question C7) and if they pass, they are required to attend the residential camp and complete SAMS103 camp course without exceptions.

For students entering SAMS301 in Fall 2019: Students must complete SAMS201, SAMS202 and SAMS203 before the start of classes for SAMS301. In the case that a student cannot attend a residential camp to take SAMS203 course, she/he may apply for a waiver provided the student already attended camp and completed SAMS103 the previous year.

B6) What is the time frame for registration?

A non-refundable waiver fee of $200 (separate from SAFL registration fee) will apply. In addition, an online study packet will be assigned to the student by June 15th and the student is expected to complete the assignment and submit by July 15, 2019. Please note that a student needs to score an aggregate of 80% in 101/201 Final and 102/202 Midterm combined conditional upon passing 102/202 to apply for the camp waiver.

ii) New SAFL students (who have successfully completed SAMS200 Direct Entry Exam and have registered directly for 2nd year SAFL) are NOT eligible for applying for a waiver for Summer Camp SAMS103 and MUST attend the summer camp. Students are asked to complete a few projects (i.e. conversations, enactments of scenes from a movie, etc.) in pairs. Students are given each other’s contact information and asked to coordinate via phone or e-mail. Average class size is around fifteen to eighteen students.

C17) Is there a parent teacher conference every semester?

Yes, parent-teacher conferences are conducted by class teachers at specified times during the academic year. In addition, teachers are always available to handle parents' questions by phone or email.

D. School Equivalency

D1) Is this program accredited by a professional organization, or recognized by any US universities as meeting a foreign language requirement?

Yes. As of July 2016, the SAFL program has been accredited as a supplementary education program by the Accrediting Commission for Schools, Western Association of Schools and Colleges (ACS WASC - http://www.acswasc.org), one of the accrediting agencies in the United States. We also received approval from NCAA, the National Collegiate Athletic Association (http://www.ncaa.org) in November 2018 for our program.

D2) In the previous years, students from which states have enrolled in SAFL?

D3) Can a student receive school credit for this course?

Students may receive credits (as Independent Study, elective or towards Foreign Language requirements) for this course with the permission of their school. We provide students and parents with the necessary material to petition for school credit, however the final decision to grant or deny credit of any type to students is made individually by each school. For a list of schools that granted elective/foreign language/independent credits to our program, please contact safl@sbusa.org.

D4) Are there currently enrolled students who are getting credit for the course? If so how and what type of credit are the students receiving?

Yes, a few current and past students have obtained credit for this course either as foreign
language credit, elective credit or independent study credit which was reflected in their school transcripts.

D5) The schools offering some form of credit – are they public or private schools?

There are both public and private schools that are recognizing this course and offering credit to the students.

D6) What can a parent do to see if his/her child can get credit for this program?

Various states and school districts have different rules and requirements. However, in all cases, the first step is for the parent or student to submit the three-year course syllabus (available at safl.samskritabharatiusa.org, or as a part of the SAFL enrollment packet) to the student’s school counselor and discuss the possibility of the school recognizing this course towards Foreign Language credit or as an elective or Independent Study. Based on our experience, if students express interest in wanting to undertake this course directly to their counselors, the counselors and schools are quite receptive.

D7) What will the student receive after completing the SAFL program from Samskrita Bharati?

The student will receive a certificate of completion from Samskrita Bharati after completing SAMS302.

E. Teaching

E1) Who will be teaching?

SAFL classes are taught by Samskrita Bharati trained teachers.

E2) What is the teaching style? What do you emphasize?

Students in this program are taught Samskritam similar to the way young children learn their mother-tongue. The beginner level courses emphasize listening and speaking, while introducing a few grammatical topics. Students listen to clips of daily conversations and practice phrases useful in daily conversation.

In the intermediate level courses, students are taught elementary grammar, reading, and writing skills. These topics are taught through the medium of Samskritam. In the advanced level courses, students develop advanced writing and reading skills to
prepare them for Samskritam study at the college level. Throughout the program, we emphasize the study of Samskritam through Samskritam.

**E3) What books will be used?**

We have prescribed textbooks for all three levels: Mukulam for 100 level, Kusumam for 200 level and Saurabham for 300 level. In addition other Samskrita Bharati books, videos and reference material are provided for all the students.

**E4) Does a student individually order books prior to class or will they be provided?**

Students do not have to individually order books. They are included in the course fee and mailed or given to the participants at summer camps before the start of classes.
